Personal Profile

Experienced professional with a solid background in customer service, team leadership, and operational management, gained through roles in hospitality and retail.

Currently enrolled in Just IT Training Ltd's Digital Skills Bootcamp: Software Development in London—a twelve-week intensive program covering the fundamentals of software development.

Aiming to transition into a software development role, leveraging both technical skills and strong problem-solving abilities honed in the service industry.

Key Skills

Technical Skills

Proficient in JavaScript (ES6+), HTML, and foundational programming concepts.

- Knowledge of object-oriented programming principles (encapsulation, inheritance).
- Basic experience with modern web development tools: NPM, Parcel, Babel.
- API handling using asynchronous JavaScript, promises, async/await.

Soft Skills

- Strong communication and team leadership.
- Effective problem-solving and stress management.
- High adaptability and organisational skills.

Training and Education

October 2024 - Present

Just IT Training Ltd, London

Digital Skills Bootcamp: Software Development

July 2014 - July 2015

**Customer Advisor
OBI (DIY Store), Poland**

- Provided customer assistance, maintained product knowledge, supported sales, managed inventory, and ensured merchandise appeal.

Interests, Hobbies and Achievements

Passionate about technology and continuous learning. In my free time, I enjoy playing video games, which has helped me develop strategic thinking, perseverance, and an appreciation for game development. This interest drives my enthusiasm for understanding how software works and motivates me to learn coding skills that could contribute to projects in the gaming or tech industry.

Additional Info:

- Full UK driving licence
- Bilingual in English and Polish
